Collector's Guide

Seventh Edition

The *Digital Press Collector's Guide* is an essential tool for classic gamers, covering every 8-bit gaming system with complete cartridge lists, pictures, scarcity ratings, production notes and pricing guidelines. This edition of the *Guide* also contains appendices including Atari catalog and manual variations, manufacturer listings, game designer listings, new Lore (gaming experiences shared by our reminiscing readers) and even collector listings! All jam-packed into 512 pages of gaming goodness.

Accept no substitutes! THIS book is the ultimate in classic gaming guides.

Game on brothers and sisters!
